

Food Safety for Small-scale Farmers

Date: Tuesday - May 7, 2013

Time: 12:00 Eastern/11:00 Central/10:00 Mountain/9:00 Pacific

A webinar to help farmers selling or desiring to sell produce to wholesale markets, restaurants, schools or grocery stores requesting documented food safety programs by the farm operations they buy produce from.

Presenter: Paul Vossen, University of California Cooperative Extension

Presentation Topics:

- Various organisms and their potential for on-farm produce contamination
- Legal requirements for assuring food safety on the farm
- Procedures for developing a "Self Certification" document
- What it will take to pass a USDA Good Agricultural Practices audit
- Resources available.
